## IBM Cloud Account

The screenshot shows the IBM Cloud dashboard in a web browser. The browser's address bar displays <https://cloud.ibm.com>. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and the user's account (Ancy Sneha A's Account). The main content area is titled "Dashboard" and features a "For you" section with five cards: "Build" (purple), "View APIs and SDKs" (5 min), "Use Speech to Text" (2 min), "Set up your IBM Cloud account" (10 min), and "Availability Monitoring" (2 min). Below this, there are four sections: "News" (with a link to "All About IBM Storage's Price and Supply Guarantee"), "Recent support cases", "Planned maintenance", and "IBM Cloud status" (showing a world map). The right sidebar displays the user's profile (Arokiaraj Arokiaraj) with links for Profile, Log in to CLI and API, Privacy, Change theme, and Log out. The bottom of the screen shows a Windows taskbar with various application icons and a system tray indicating 24°C and "Mostly clear".
