Project Name	Visualizing and Predicting Heart Diseases with an Interactive Dash Board

<p>Document an existing experience</p> <p>Narrow your focus to a specific scenario or process within an existing product or service. In the Steps row, document the step-by-step process someone typically experiences, then add detail to each of the other rows.</p> <p>TIP As you add steps to the experience, move each these "How Do You Get It?" or "How Do You Use It?" depending on the scenario you are documenting.</p>
